I actually pity these ignorant, shallow, violent, idiots rioting in the streets. When you're that easily manipulated, when you gladly offer yourself to be used by anyone or anything, you have no goals and life would have little meaning.

So poorly educated and easily swayed they cannot see the strings controlling them, or the invisible hand pushing them forward. Incapable of understanding anything beyond immediate reaction they know only violence.

They can control themselves, they certainly have before. But now they have been "set free" by their leaders, the media, politicians. Who will turn on them when they are no longer useful. Made Rabid and turned loose on society, they never finished " old Yeller" in

school, they can't comprehend the outcome of their actions. But empathy won't stop what has already been set in motion. People can do so much, but when given no other option, We will do what needs doing. So Our Children won't have to, so Our Country survives.🙏🙏🙏

Matthew Ball @ballmatthew · Dec 3
2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

It's interesting what I see coming. The same "handlers" that promoted phony Obama into the WH have turned against him. They now see him as weak, not affective any more, now that they have a Strong, active army, (pantifa/bLM) at their disposal. In those circles Obama is actually

being blamed for being so weak that he let Trump get elected, so weak that now the strong people have to fight in the streets for the change he promised. It's looking like after the election, when their little coup finally dies and people have to

Dear antifa/bLM, I am not talking to you, I am talking to your "handlers" and those controlling them. You are not worth talking to. To me you are the same as wet toilet paper, weak, shitty, and useless. In fact, wet toilet paper is more of a risk than you are.

I'm coming right for the head of the snake. You will not send your ignorant pawns into our lives to cause death and destruction then retreat into the shadows,waiting for the next time,when they fail. You are in my sights and I don't miss.

bLM/antifa supporters who can't "fight in the streets" are being encouraged to "fight in place". Supporters who work in government,I.e., Social Security, MVA, insurance, benefits, school, are being encouraged to find people based on race or political affiliation and deny or

block access to services. Existing accounts will suddenly "have problems" waiting on the phone forever only to be disconnected over and over, anything they can do to fight "white privilege". Senior Citizens are already feeling this
